Dear Customers:

Simply Boulder Foods is confident that the peanut butter we use in our Coconut Peanut sauce is safe and does not contain salmonella. We do not get our peanut butter from Peanut Corporation of America, King Nut, or any other supplier associated with the recall.

We have been in contact with our supplier and they have assured us that their product is safe and they are not involved with the recall.

If you have any questions or would like any additional information please contact us at 303-507-0654 or at information@simplyboulder.com.

Sincerely,

Seth Mendelsohn
President
